Aloha Friends & Neighbors,

Thank you so much for all the support and encouragement you've given me as I've knocked on your doors, called your phones and waved at you from the roadside. Sharing my innovative solutions with you and hearing your many ideas on improving our State has been a wonderful experience, and I assure you that if elected I will bring all the **hard work, dedication and accessibility** that you've seen from me during this campaign to the job of state representative. Now, as we near election day, **I humbly ask for your vote so we can continue to revive and refresh government together.**

Sincerely,
